THE PROBLEM

# Citizens are disconnected from parliament

Parliamentary data is publicly available but **scattered, complex, and inaccessible** to the average citizen.

### Hard to Find

Measures buried in dense official documents and complex search portals.

### No Accountability

Campaign promises rarely tracked against actual votes and legislation.

### No Context

Voting records and party affiliations presented without any practical context.

NATIONAL DEFENSE

## Increase in minimum wage to €1,000

Approved · PSD · Partido Social Democrata · 22 Apr 2026

The present measure establishes the legal framework, defining objectives, scope, governance structures, financing mechanisms, and evaluation indicators. It mandates inter-ministerial coordination, defines transitional provisions, and entrusts implementation oversight to the relevant parliamentary commission. Annexed schedules detail timelines and budget allocations across the next three fiscal years.

RESPONSIBLE MINISTER
Joaquim Miranda Sarmento
